Captain H. W. Howe, USN  
Naval War College  
Newport, Rhode Island

Dear Howe:

On checking up, I find that [REDACTED] who made the address at the Naval War College last year, is scheduled for an overseas assignment sometime during the early fall of this year and, consequently, will not be available for a talk in February 1950. However, if you wish, we can send Mr. William J. Harvey to make the talk and serve as a replacement for [REDACTED]

25X1

I should appreciate your informing me whether or not you desire Mr. Harvey to come up in February 1950.

25X1

As regards my own talk on 26 September, we are in the midst of a reorganization, and whether the new charts can be completed in time I do not know. If they can, I shall send them to you two weeks in advance, and, if not, I shall do without them.

Sincerely,

sgd & disp via ER 8/3
